BOBBY QUINN

My name is Bobby Quinn. My wife, Michele, and I want to THANK YOU for supporting our fundraising efforts in the 3rd Annual Quinn Classic Golf Tournament. This has been a super fun event that not only supports me but other Virginia families who are battling ALS.

Often referred to as Lou Gehrig's Disease, ALS is a neuromuscular disease that takes away the ability to move, eat, swallow and breath. It is 100% fatal and there is no cure. In the U.S. every 90 minutes someone is either diagnosed with the disease or dies from it.

It costs an average of \$200,000 a year to care for a patient with ALS. A lot of which is not covered by health insurance. Please consider playing, sponsoring or donating!
